FORMS OF PARTICIPATION

- Participation in the exhibition program.
- Participation in the demonstration program.
- Participation in the business program
- Remote participation.

Registration fee for all forms of participation is **EUR 420** (net of VAT 18%).

Payment must be made in EUR as a bank transfer

COST OF PARTICIPATION IN THE EXHIBITION PROGRAM

The price is indicated net of VAT 18%.

LEASE OF EXHIBITION SPACE	Price (EUR)
Indoor raw exhibition space in stationary halls (per 1 m ²)	295*
Outdoor exhibition space for exhibits (per 1 m ²)	110
Outdoor exhibition space for construction (per 1 m ²)	150
LEASE OF CHALET (raw)	Price (EUR)
1 chalet unit 160 m ²	48,000
1 chalet unit 100 m ²	36,000
1 chalet unit 80 m ²	33,000

*The price is valid till January 1, 2019, in condition of 100% payment for lease;

Extra charge for the number of open sides of exhibition space and stand floors is calculated as follows:

- 10% for a stand open from 2 sides.
- 15% for a stand open from 3 sides.
- 20% for a stand open from 4 sides.
- Extra charge for lease of the 2nd floor - 30% of the rental cost of the total area of the second floor (without surcharges for open sides).

COST OF PARTICIPATION IN STATIC DISPLAY

Participation in the demonstration program provides parking of the aircraft at the static display area of the exhibition and / or participation in the flight demonstration program. Prices for the static display area will be published no later than September 1, 2018.

The leasing cost of static display area includes:

- An area at the static display (concrete or ground);
- Fire safety provision (fire extinguishers) in accordance with acting regulations;
- Grounding loop provision;
- Aircraft slots marking;
- Lighting in nighttime (only for concrete area);
- Support of arrival / departure including towing to / from the allocated aircraft slot;

For tents and other temporary constructions over 4 sq. m area next to an aircraft slot a participant should lease outdoor exhibition space for construction (per 1 m²).

A participant must not operate own power units and other ground service equipment without certification and admittance of the airfield chief operator.

A participant gets 10% discount for leasing of an aircraft slot, if he agrees to provide public access to the aircraft cockpit / cabin during the exhibition period (for aircraft over 3 t MTOW).

Participation of aerostats

The following types of balloons are allowed to participate: airships, hot air balloons, gas balloons, geostats (still air figures). All aerostats are placed on the ground. The parking area depends on the volume of the balloon shell. Prices for the placement of balloons will be published no later than September 1st, 2018.

The filling and lifting of the shell of a thermal balloon, as well as the lifts on a leash, are possible at a height of no more than 10 m (according to the level of the balloon gondola), at a wind speed not exceeding 4 m /s, in a calm atmosphere, in the absence of turbulence zones and gusts of wind.

It is prohibited to stay in the basket / gondola of the balloon by unauthorized persons who are not members of the crew, without the written permission of the Organizer.

Participation in Flying Display Program

Arrival / departure and flight hours in framework of the flying display program during the exhibition (July 23 – 28, 2019) don't involve payments extra to paid rent of an aircraft slot at the static display in exception of airfield services ordered by a Participant.

If an aircraft located at the static display takes part in the flying display program, the aircraft towing from/to static display should be ordered and paid by a participant.

All flights that are not included into the adopted flying display program (familiarizing, training, testing, transport and other) are made in accordance with acting Regulations of Ramenskoye Airfield and should be paid on the base of direct contracts with Flight Research Institute on its actual tariffs.

DEMONSTRATION OF EXHIBITS

ORDER OF OBTAINING PERMISSION TO DEMONSTRATION OF EXHIBITS

Production meeting the following requirements is allowed to demonstration at an exhibition

- corresponding to thematic of an exhibition;
- declared the Participant in Lists of exhibits (form 1.0, 1.1, 2.0);
- approved by the Organizer in the corresponding Lists of production allowed for demonstration at an exhibition.

Exhibits data (natural samples, models, advertizing information and video records) planned to demonstration at an exhibition, the Participant has to send in time to the Organizer's address as follows:

- filled form in a Word format and scanned copies of lists of exhibits, Participant directs to e-mail of the Organizer (tatiana_i@aviasalon.com, responsible person: Lazutkina Tatyana, t.: 8 (495) 787-66-51, ext. 316);
- signed and stamped copies of the lists of exhibits the Participants should sent to the postal address of the Organizer: 140185, Moscow Region. Zhukovsky, JSC LII im. M. M. Gromova, JSC Aviasalon;
- the 2nd kit of copies Participant has to have at himself at registration of permission to transportation of production on the territory of an exhibition.

MILITARY EXHIBITS

For foreign Participants military exhibits are subject to licensing. For the purpose of simplification of customs procedures and timely obtaining the license the Participant needs to provide the list of exhibits of military and dual purpose in a form 3.0 or to fill and sign the obligation that his exposition doesn't contain military product samples.

The term of providing lists (forms 3.0) - no later than April 15, 2019.

GENERAL RULES OF DEMONSTRATION OF EXHIBITS

Exhibits are located on the exhibition area and/or on the static display rented by the Participant. Exhibits can't be moved on other exhibition areas without coordination with the Organizer. Any movements of exhibits end no later than 20:00, July 22.

Exhibits, including aircraft shouldn't leave places of exhibiting until closing of an exhibition without written permission of the Organizer.

Are forbidden to demonstration: military weapon, ammunition, explosives, combustibile and radioactive materials. The separate capacities containing fuel or air-fuel mix can't be exhibited or transported in the exhibition zone and in zone of the static display of aircrafts. Movement of vehicles of participants in zone of demonstration of exhibits on the static display in opening hours of the exhibition isn't allowed.

All exhibits demonstrated on the open exhibition area and/or a static display of the exhibition have to be supplied with information plates with the name and the description of the exhibit in Russian and English languages.

The organizer has a right to refuse to the Participant demonstrating products, the information on which is not provided in the corresponding lists (form 1.0, 1.1, 2.0, 3.0),

The organizer can insist on removal of exhibits if they aren't included in the corresponding lists, can be dangerous to people around or are incompatible with the exhibition purposes. If the Participant doesn't fulfill this requirement, the Organizer has the right to remove such exhibits by own efforts, but at the expense of the Participant, undertaking in case of need the measures provided by current laws and the presented General Conditions of Participation.

The above sponsor programs are not final and may change based on the Sponsor's needs and the Organizer's possibilities.

Additional information on the list of services offered with each sponsor package will be available at www.aviasalon.com .

PARTICIPATION AS AN INFORMATION PARTNER MAKS 2019

Information partners of MAKS 2019 are Russian and foreign specialized and general mass media: periodicals, radio, TV channels, Internet portals, news agencies.

Information and advertising partnership - a full-scale information support and maintenance, both the preparation process and holding of MAKS 2019 in part:

- publication of information materials about the event;
- publication of graphic advertising and information module of MAKS 2019;
- placing the banner of MAKS 2019 with the link to www.aviasalon.com on the main page of the partner's website at a priority place
- placing of announcements about the upcoming event in a current events column;
 - placing of on-line broadcasts;
- postings announcements on the event by e-mail;
- TV stories in news programs about MAKS 2019 preparation process;
- translation and publication of detailed speeches (interviews) of members of the MAKS 2019 Organizing Committee;
- detailed stories in TV news programs;
- detailed stories in TV information-analytical programs.

Depending on the volume of information support provided, information partners of MAKS 2019 are divided into the following categories:

- **Primary Information Partners**
- **Official Information Partners**
- **Information Partners**

For all information partners of the International Aviation and Space Salon with the same status of participation, a concept of equal presence at MAKS 2019 will be implemented.

In line with their status assigned, information partners will receive packages of services with individual preferences.

Status is assigned to a partner by decision of the MAKS 2019 Organizing Committee and on the base of information and advertising support volumes.

The terms of each contract are discussed individually and are not a public offer.

Category of information partnership can be adjusted based on the Partner's needs and Organizer's opportunities.

The cost of each category of information partnership depends on the individual features of the media and specific amounts of provided information support, but cannot be lower than the cost of the "Information Partner" basic package, which is (excluding 18% VAT) – **RUB 300 000,00**.

Standard options of the package for Information Partners of MAKS 2019:

1. Assignment of an official status and awarding of a Diploma acknowledging this status.
2. Provision of a right to use the status in all own marketing communications.
3. Accreditation of Partner's representatives (at least 2) for all events of MAKS 2019, including business and flight programs.
4. Providing of MAKS 2019 entrance tickets to the Partner (at least 10 tickets)
5. Issue invitation tickets for the official opening reception of MAKS 2019 (at least 1)
6. Provision with a right to become a participant of the exhibition program and occupy a standard equipped exhibition stand.
7. Placement of the Information Partner's information and advertising materials and logo at the official website and in the official catalogue of MAKS 2019.

PAYMENT PROCEDURE

All payments for participation in the exhibition pursuant to the concluded contract for residents of the Russian Federation should be made in Russian rubles by transferring to the Organizer's settlement account.

Non-residents of the Russian Federation must make payments in EURO by transferring to the Organizer's settlement account.

State and local taxes, customs fees, duties, dues and tariffs payable pursuant to the concluded contract on participation in the exhibition shall be paid at the Participant's expense.

The value added tax (VAT) at the rate of 18% shall be added to all payments except for the cases prescribed by the laws of the Russian Federation and international treaties.

Extra services ordered during the exhibition days will be rendered by the Organizer in condition of 100% pre-payment. The payment should be made through the cash desk of AVIASALON JSC in cash or by cards Visa, MasterCard, MasterCard Electronic, Maestro. All payments through the cash desk should be made in Russian rubles only.

CONTRACT TERMINATION

Unilateral termination of the contract by the Participant and out of court termination are admitted under the terms of paying compensation to the Organizer:

- If the contract is terminated by the Participant 30 days (or more) prior to the exhibition, the cost of participation specified in the contract and additional agreements shall be refunded less 25%, if the termination request is submitted less than 30 days before the exhibition, the cost of the contract and any additional agreements shall be refunded less 50%.
- In case of the Participant's cancellation of some of the ordered services less than 30 days prior to the exhibition, the Organizer shall charge a penalty fee in the amount of 50% of the cost of the services (including leasing of exhibition space) that were canceled by the Participant.
- In the event that the Participant did not submit a request for contract termination and did not participate in the exhibition, 100% of the cost of the ordered services and exhibition spaces of the concluded contract on participation are considered a penalty and shall not be refunded to the Participant.

The contract shall be deemed terminated from the date when the Organizer receives the notice on termination.

Extrajudicial and unilateral termination of the contract on the Organizer's initiative shall be possible in the following events:

- If the Participant does not fulfill the terms set forth in the Terms and Conditions of Participation in Exhibitions and appendixes thereto (in parts pertaining thereto);
- If the Participant did not equip the leased exhibition space 1 day before the Exhibition.
- If the Participant did not occupy the equipped exhibition space during the first day of the Exhibition.
- If the Participant transferred the leased exhibition space or part of the exhibition space to third parties for a fee or free of charge or exchanged exhibition spaces with other Participants without Organizer's approval.

In the event of contract termination on the Organizer's initiative for the above reasons, all payments made pursuant to the contract shall not be refunded.
